NAZI WAR CRIMES DISCLOSURE ACT
DATE 2007

1. Attached hereto is the first of what will be a series of field procedures. This particular instruction covers the handling of cables.

2. Field manual binders and instructions for filing will be forwarded shortly and additional field instructions will be sent as they are prepared.

3. With regard to paragraph 6.a of attached field cable procedure, it is suggested that you designate one member of your staff as permanent alternate releasing officer to act in your absence from your post. This will relieve you, at least until you have a more adequate staff, of the necessity of notifying the Home Office concerning the alternate releasing officer each time you are away from your permanent place of duty. You need only send notification when you find it necessary to designate a second alternate releasing officer.
